WALK INFORMATION

Where to meet

We will meet at the Pavilion entrance to Virginia Water Lake, adjacent to the main car park, promptly at 9 am for the start of the walk.

Note: There is a charge for parking at Virginia Water, so why not travel together as a team? The car park gets busy so we have a relatively early start time.

Distance

The circular route of Virginia Water Lake – approximately 4.5 miles for the fun walk. Please feel free to loop the lake twice if you are up for a bigger challenge!

Fundraising

There is no race entrance fee, but you are encouraged to raise funds to support our charity and perhaps to self-fund with a minimum donation of £20 to get your fundraising started.

[Click here for a link to the fundraising page that we have set up which explains where your donations will be spent and to help you to raise sponsorship.](#)

Registration

You will be required to register at the start of the race. Please look out for our gazebo.

Contacts

In case of any problems or further questions, please email manager@windsorfoodshare or telephone Sarah on 07586240967.

The walk will cover a 4.5-mile circuit (or two!) of the stunning Virginia Water Lake and we are grateful to Windsor Great Park for allowing us to use this facility. The route is signposted, and volunteers will guide you along the way. A map of the route will be available if required (with a link available at tiny.cc/loop2025).

There are no steep climbs, but some areas are undulating and some of the paths may be uneven and slippery in wet weather. Please keep to the paths. Dogs are welcome on leads. Please bring water to keep hydrated and any snacks but these can also be purchased at the Pavilion where toilets are also available. Kindly take home all your belongings on the day and do not leave any litter in the park.
